

A detailed line drawing of a kitchen vanity unit. The unit features a countertop with a rectangular sink and three faucet holes. Below the countertop, there are two cabinet doors on the left, a central cabinet door with two handles, and a single cabinet door on the right. A drawer is located below the central cabinet door, also with two handles. The vanity is supported by four legs. Three dimensions are indicated with lines and arrows: a height of 34.5 in (87.6 cm) on the left side, a depth of 20 in (50.8 cm) at the bottom left, and a width of 48 in (121.8 cm) at the bottom right.
