

A detailed line drawing of a kitchen vanity unit. The unit features a countertop with a rectangular sink and three faucet holes. Below the countertop, there are four drawers on the left side, two cabinet doors in the center, and three drawers on the right side. All drawers and doors have horizontal handles. The vanity is supported by four legs. Three dimensions are indicated with lines and text: a height of 34.5 in (87.6 cm) on the left, a depth of 20 in (50.8 cm) at the bottom left, and a width of 48 in (121.8 cm) at the bottom right.
